

CHAPTER 375: GOLF CART USAGE ON VILLAGE STREETS

THE VILLAGE BOARD OF THE VILLAGE OF ENDEAVOR, MARQUETTE COUNTY, WISCONSIN, DOES ORDAIN AS FOLLOWS:

SECTION 1:

Chapter 375 of the Village of Endeavor Ordinances is hereby created to read as follows:

1. Purpose and Definition

A. The purpose of this chapter is to provide a means of travel that is not only convenient and safe, but conserves resources and protects the environment. Golf carts, if properly used, are an effective way to travel for short distances within the Village. However, to ensure the public safety and welfare, the operation of golf carts must not only comply with normal regulations regarding vehicles, but should comply with special safety regulations intended to protect the operator and passengers in a vehicle that is primarily designed for operation on a golf course or recreational purposes. This chapter establishes the basic, minimum standards of care to be used by the operators of golf carts on public roads, streets and highways. Likewise, the public safety requires that golf carts, used as a means of transportation, must also meet certain minimum safety standards that can only be assured through a system of registration and inspection. The registration and inspection of golf carts is required in order to protect the public health, safety and welfare.

B. Definitions –

Golf Cart – A vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding 20 miles per hour.

2. Operation of Golf carts allowed; exceptions

A. Allowed – The operation of golf carts on the public streets within the Village in compliance with the provisions of this chapter shall be permitted; however, it shall be unlawful to operate any golf cart that is not properly registered with the Village or operate any golf cart at any place, time or in any manner not authorized herein.

B. Exceptions. The operation of golf carts is not subject to the provisions of this chapter under the following circumstances:

1. The operation of golf carts at golf courses, private clubs or on private property, with the consent of the owner.
2. The use of a golf cart in connection with a parade, a festival or other special event, provided the consent of the sponsor is obtained and provided such vehicle is only used during such event.

3. License Required.

No person who is less than 16 years of age or who does not have a valid driver's license issued under or granted by the laws of Wisconsin or some other state may operate a golf cart on any public street within the Village. For purposes of this section, a learner's permit shall not be considered as a valid driver's license nor shall any license that has been revoked, temporary or otherwise, or suspended for any reason, be considered as a valid driver's license during the period of suspension or revocation.

4. Registration.

A. Required. No golf cart may be operated on any public street within the Village unless the golf cart has first been registered with the Endeavor Village Clerk as required herein. The registration shall be renewed thereafter in accordance with the provisions of this section. To evidence the registration, the owner shall be issued an annual permit which shall be displayed in a prominent, visible place on the rear fender of the golf cart or at such other place as may be approved by the Police Department. The permit may contain a registration number assigned for the particular golf cart and may contain an expiration date.

B. Registration Fee. A registration fee in the amount of \$20.00 annually, or such other amount as may be established and adopted by the Village Board from time to time, as amended, shall be paid to the Village at the time the application for registration is filed with the Endeavor Village Clerk or for any renewal of the application.

C. Application. The application for registration shall be made to the Endeavor Village Clerk, or to some other person designated, on forms provided by the Village. The application may, among other things, require the owner's name, street address, mailing address, a phone number, the make, model and identification or serial number of the golf cart, proof of insurance and such other information as may be reasonably required as well as a release or disclaimer of liability by the Village for accidents involving the registered golf cart.

D. Inspection. Prior to issuing the initial registration permit or any renewal thereof, the golf cart shall either be inspected or, in place of inspection, the Endeavor Police Department may require photographs submitted of the golf cart, to determine that:

1. The golf cart is equipped with at least two red rear reflectors at least three inches in height and width;
2. The golf cart is equipped with a reflective 'slow moving sign' or 'flag' on the rear of the cart;
3. The brakes provided by the manufacturer of the golf cart are in proper working order;
4. The golf cart has all of the standard safety features provided by the manufacturer and has not been modified to exceed a speed of 25 miles per hour, nor otherwise modified in any way that creates a hazard; and
5. The golf cart is equipped with all mechanical systems and safety equipment required by this chapter.
6. All existing manufacturer lights are in working order, or a minimum of one headlight/taillight installed so as to not conflict with oncoming traffic's vision if driven not during daylight hours.

E. Denial and revocation. The initial registration of a golf cart may be denied or subsequently revoked by the Endeavor Village Clerk if it is determined that:

1. The application contains any material misrepresentation;
2. The golf cart is not in compliance with the requirements set out above;
3. The golf cart has been altered or customized and no longer meets the definition of a golf cart;
4. Equipment supplied by the manufacturer, especially safety equipment, has been removed from the golf cart or the vehicle identification or serial number removed; or

The Village in no way shall be liable for accidents, injuries or death involving the operation of a golf cart.

B. Assumption of risk. Any person who owns, operates or rides upon a golf cart on a public street, road or highway within the Village does so at his or her own risk and peril and assumes all liability resulting from the operation of the golf cart.
